Brief Bio

I've worked closely with Composer Ilan Eshkeri and Music Producer Steve Mclaughlin since 2014, as an integral part of their compositional team for TV, Film and Games. More recently I've enjoyed leading on my own compositional projects and I work with artists both as a stage performer and producer.

Composer

• Dichotomy (2021) | BBC VR - New Creatives

BBC VR

A Virtual Reality game developed by the BBC New Creatives scheme. The game focuses on helping the user understand the mindset of someone who suffers with OCD. Created 7 original tracks to accompany the 5 main different types of OCD along with 2 bonus tracks. The game will be released on Steam March 2021 and the Album in 2021.

• Urban Myths - In Bed With Tracey (2020) | Sky Arts

Shiny Button Productions

Director - James De Frond

1x30m Comedy Drama - the surreal telling of Tracey Emin's thought process when creating her famous iconic work - My Bed.

• The Invasion Of Todmorden - Pilot (2020) | Amazon Audible

Shiny Button Productions

Director - Tom Parry

1x30m Sci-Fi Comedy Drama - following a failing journalist Liz Harding as she investigates the disappearance of local Alien conspiracist - Tim Riley.
