Finished composing Channel 4's - **The Curse 2** - currently airing every Thursday 10pm Channel 4, and most recently worked as the music editor for Keefus Ciancia on BBC's **Great Expectations** and Chris Hemsworth's **Limitless**.

I also produced and mixed dutch songwriter Demira Jansen's latest album, due to be performed live in a new immersive show in Amsterdam this Spring and currently writing my RnB/Jazz album under the name Quills with Sacha Spence, due to be released later this year.

At the start of my career I worked closely with Composer Ilan Eshkeri (*Stardust, Perfect Planet, Ghost Of Tsushima*) and Music Producer Steve McLaughlin (*Die Hard, About A Boy*) from 2014-2021 as an additional composer, programmer, mixer, performer and music editor. Over those 7 years I worked on many different projects across TV, Film and Games.
